## Entry Fee Accounts

Entry fees for tournaments must be paid by each player in advance by initially submitting a check to the club Treasurer in the amount of \$50, payable to CSGC. This will establish your individual *entry fee account* balance. As you play in events the \$5 entry fee (\$10 for the Club Championship) will be deducted from your balance on the day of the tournament.

When your account balance has been drawn down to \$10, you will be contacted to remit a \$40 check to replenish it.

All unused funds will be returned upon lapse of membership.

Please send checks to:
