Tournament Signup Policy

All tournament sign-ups will be by an **EMAIL ONLY** process. Send your emails to the Tournament Chairman Gmail account at csgc.mx+tc@gmail.com. We encourage sign ups by groups in one email or as always individual members are welcome to submit email entries and the TC will pair you up. When sending your email entry please include the date of the tournament in the subject line and in the body include the players in your group and your tee time preference, Early, Mid, or Late. Entries must be sent **no earlier** than the **day after** the date of the previous tournament and **no later** than **Friday Noon** prior to the date of the tournament you are entering.

The tournament field has been expanded to 20 tee times for a total of 80 players. If entries for a tournament exceeds 80 players a random draw will be used to fill the field and any entry not getting in will be notified and placed on a waiting list for addition to the tournament if space becomes available. Any group or individual not making the field will continue to have automatic entry into the following tournament and must explicitly confirm they will play by sending another entry email for that event.

Entry fees for each event will be drawn from your [Entry Fee Account](#).

Note: If you sign up for an event and find you cannot play, you must notify the Tournament Chairman at the above Gmail address. Notifying the pro shop but failing to notify the TC does not constitute notification. If you do not show up to play on the day of the tournament and have not notified the TC, your entry fee will be deducted from your Entry Fee Account balance.
